

MS 291
CHAIN SAW

\$459⁹⁵
NES-SRP

18" bar¹

The high-performance, fuel-efficient MS 291 chain saw features an advanced anti-vibration system to reduce operator fatigue - great for felling, firewood cutting and storm cleanup.

MS 261
CHAIN SAW

\$589⁹⁵
NES-SRP

18" bar¹

Designed for large-volume cutting, the MS 261 offers an optimized power-to-weight ratio, low emissions, high fuel efficiency and professional-grade performance.

MS 311
CHAIN SAW

\$519⁹⁵
NES-SRP

18" bar¹

The MS 311 is a high-tech workhorse with a step up in horsepower and features over the MS 291, including improved engine technology and fuel economy for longer run times.

MS 391
CHAIN SAW

\$599⁹⁵
NES-SRP

20" bar¹

Features engine technology that provides great fuel efficiency while reducing emissions, the MS 391 is more powerful than the MS 311 and is cut out for the big jobs in the field, farm and ranch.

MS 362
CHAIN SAW

\$779⁹⁵
NES-SRP

20" bar¹

The MS 362 is a no-fuss, hardworking chain saw that mixes great power with fuel efficiency, ideal for any professional tree or forestry personnel.

MS 462 C-M
CHAIN SAW

\$1,139⁹⁵
NES-SRP

25" bar¹

Shown with optional lightweight guide bar.

The STIHL MS 462 C-M is a lightweight, powerful chain saw fit for any forest, offering performance at the highest capacity with STIHL M-Tronic™ engine management technology.
